Sutra Plugins

Customize product page, cart and checkout texts

Member Experience · https://sutraplugins.com/docs/membersutra/customize-texts/

Go to **MemberSutra → Memberships → Customization** and **MemberSutra → Subscriptions → Customization**. A preview updates as you type.

Product page

- The “Add to cart” label.
- Show the billing cycle next to the price (e.g. “$7.99 / month”).
- Show the free trial and the signup fee under the price.

Cart and checkout

- The “Place order” label.
- What each subscription renews at (“Billing: $20.00 / month”).
- The recurring total and the first renewal date.
- Hide the subtotal when it is zero.

Thank-you page

Show which memberships and subscriptions the order gives, as a table under the order details or in a separate box.

i Good to know: If your cart and checkout use the WooCommerce blocks, set the “Place order” text in the Checkout block itself; the billing and trial lines show in both versions.
