Sutra Plugins

The Dashboard

Reports & Tools · https://sutraplugins.com/docs/membersutra/dashboard-reports/

Go to **MemberSutra → Dashboard**. It has three tabs: **Memberships**, **Downloads** and **Advanced Analytics**.

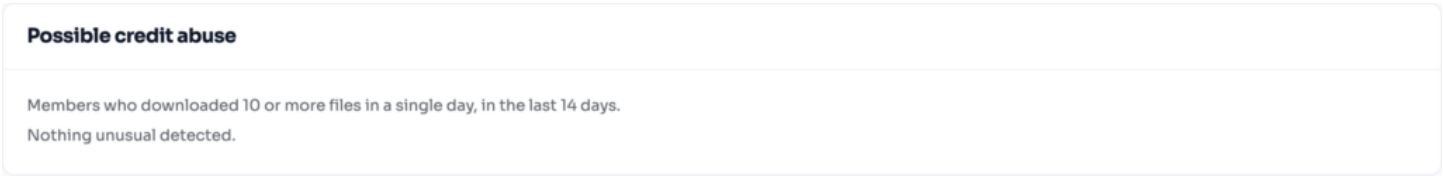

The MemberSutra dashboard.

Memberships tab

- **Total memberships**, **Members** (people with access now) and **Active now**.
- **Monthly recurring revenue** from active subscriptions and **One-time sales** from fixed-term and lifetime plans.
- **New**, **Cancelled** and **Expired this month**, and memberships **ending in the next 10 days**.
- Memberships by status and by plan, the latest members, and monthly revenue for the last 3, 6 or 12 months.

Downloads tab

Download trends and members who may be downloading in bulk. The threshold is set under **Notifications → Credit Emails → Possible abuse flags at**.

Members flagged for unusual downloads.

Tip: A small MemberSutra summary also appears on the main WordPress dashboard.
