Sutra Plugins

Elementor widgets

Blocks, Widgets & Shortcodes · https://sutraplugins.com/docs/membersutra/elementor-widgets/

Pro feature: The Elementor widgets come with MemberSutra Pro and need Elementor (free is enough).

Edit a page with Elementor and search the widget panel for “member”. The widgets sit in their own MemberSutra group.

Member Status Card

Gift Claim & Voucher Card

Member Discounts Grid

Drip Content Schedule

Membership Alert Banner

MemberSutra widgets in the Elementor panel.

Available widgets

- **Member Dashboard Hub**, **Member Status Card** and **Member Status**
- **Member Plan Name** and **Member Expiry / Renewal Date** – single values to drop into your own design
- **Membership Pricing Table**
- **Member Locked Content**
- **Drip Content Schedule**
- **Membership Alert Banner**
- **Downloads Vault**
- **Member Credit Balance** and **Member Credit Counter**
- **Member Discounts Grid**
- **Gift Claim & Voucher Card**

Each widget has Content settings (plans, texts) and Style settings (colours, typography, spacing) like any other Elementor widget.

Tip: To check what a member or a guest sees, open the page in a private window or log in as a test member – the editor always shows you the admin view.
