Sutra Plugins

The member area in My Account

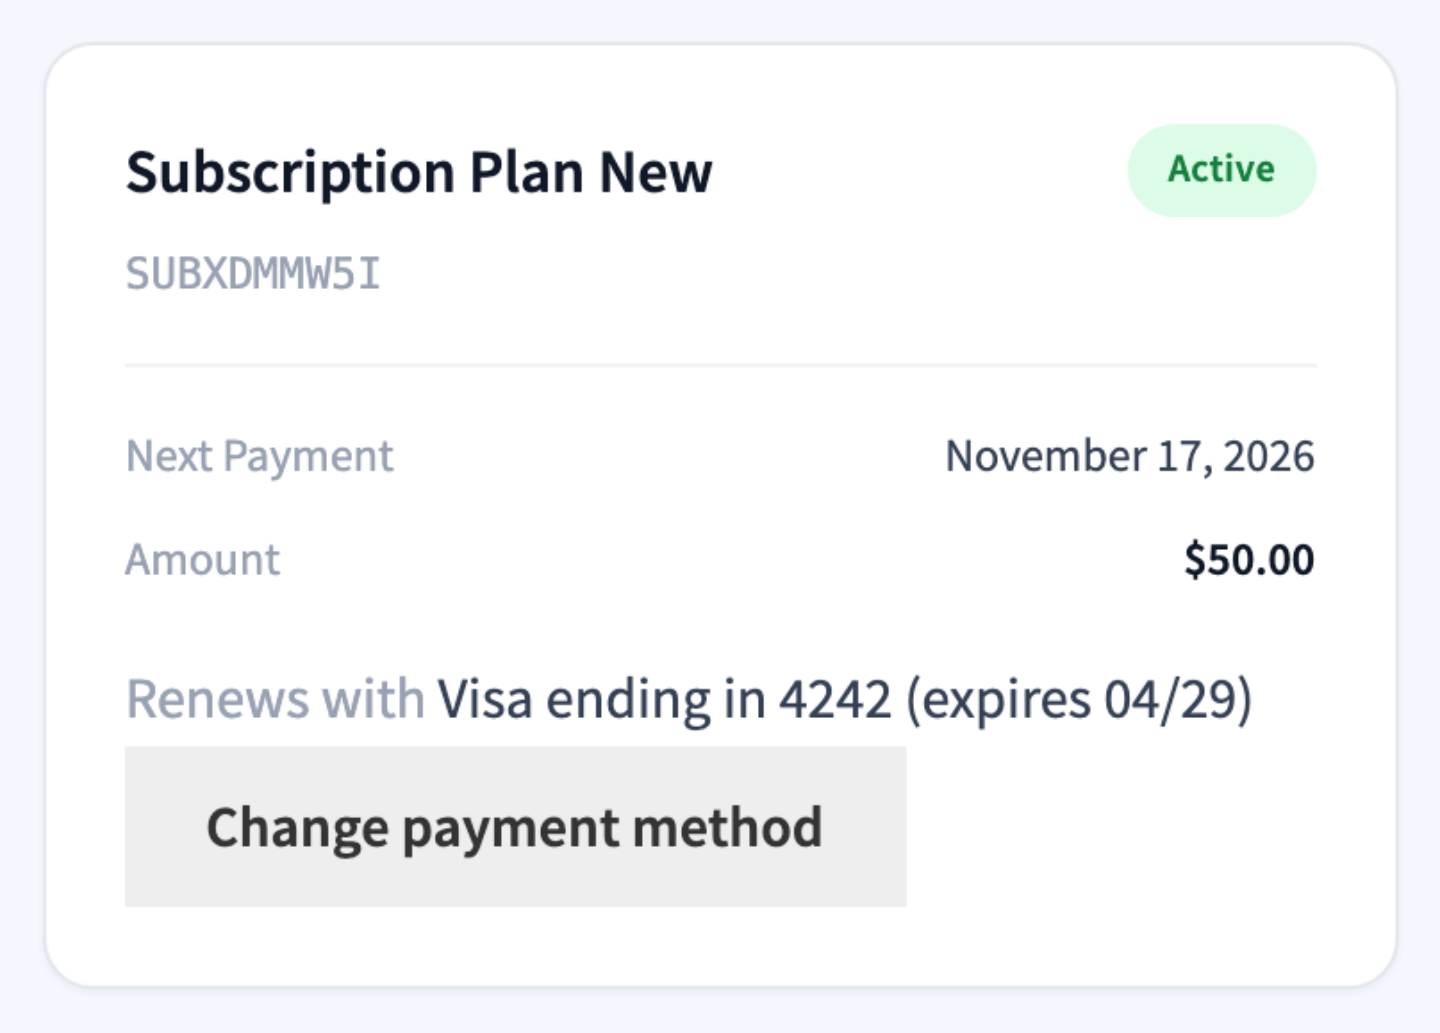

Member Experience · https://sutraplugins.com/docs/membersutra/my-account-member-area/

The Memberships tab in My Account.

Members manage everything from WooCommerce's **My Account** page:

- **Memberships** – each plan with its status, dates and what it includes.
- **Subscriptions** – next payment, amount, payment method and the renewal history.
- Downloads and credits, when the plan includes them (Pro).

The Subscriptions tab in My Account.

Customize the tabs

Under **Memberships → Customization** and **Subscriptions → Customization** set each tab's **label**, its **position** in the menu (10 = after Dashboard, 25 = after Orders, 999 = last), a **welcome banner** and the **empty state** message and button.

i Good to know: To hide the Memberships tab entirely, turn off **Show Memberships menu in My Account page** under **Memberships → Settings**.
