Sutra Plugins

Install and set up SutraPay for PayPal

Getting started · https://sutraplugins.com/docs/sutrapay-for-paypal/paypal-install-and-set-up/

This guide installs SutraPay for PayPal on your WooCommerce store and connects it to your PayPal account. Use test (sandbox) mode first, then switch to live.

Before you start

- WordPress 6.4 or later and PHP 8.0 or later.
- WooCommerce installed and active.
- A PayPal account with API access.

Install and connect

1. Upload the plugin to `/wp-content/plugins/`.
2. Activate it through the 'Plugins' menu in WordPress.
3. Go to SutraPay for PayPal -> General and connect your PayPal REST API credentials.

Next steps

See what SutraPay for PayPal can do, or read the questions and answers. Download the plugin from its page.
