Sutra Plugins

Which currencies are supported?

Questions & answers · https://sutraplugins.com/docs/sutrapay-for-razorpay/razorpay-currencies-supported/

INR, and 100+ other currencies (USD, EUR, GBP, SGD, AED, CAD, AUD, MYR and more) when International Payments are enabled on your Razorpay account. Magic Checkout, bank transfer, Route and the Affordability Widget are for INR. Subscriptions use the currencies your account supports for Razorpay Subscriptions; when Razorpay refuses one, the subscription is billed by your store instead.

More: install and set up SutraPay for Razorpay.
